

Aarogya Raj Katwal

UI/UX | Front-End Knowledge

Kadaghari , Kathmandu • 9803573139 • aarogyarajkatwal@gmail.com

[in](#) @ www.linkedin.com/in/aarogya-raj-katwal

Creative and detail-oriented UI/UX Designer with hands-on experience in Figma and a strong grasp of front-end principles. Skilled in designing clean, user-centered, and development-ready interfaces. Passionate about solving real problems through modern design and continuous learning. Thrive in team environments and cross-functional collaboration to create impactful digital experiences.

EXPERIENCE

UI/UX Designer

Kathmandu

Freelance

Sep, 2023 - Jun, 2024

As a Freelancer UI/UX Designer creating user-centered designs for web and mobile applications. Experienced in user research, wireframing, and prototyping using Figma. Delivered intuitive and visually appealing interfaces aligned with client goals and supported smooth handoff to development teams.

UI/UX Designer

Kathmandu

Logispark Technologies Pvt. Ltd

Jun, 2024 - Oct, 2024

Gained hands-on experience in creating user-centric designs for web and mobile platforms. Worked on real-world projects, developed prototypes, and collaborated with teams to deliver functional and aesthetically pleasing solutions. Strengthened skills in user research, wireframing, and design tools like Figma and Flutter Flow

UI/UX Designer

Kathmandu

IMS Software

Oct, 2024 - Feb, 2025

Working with a leading IT solutions company, I design intuitive and user-centered web and mobile interfaces. Collaborate closely with cross-functional teams to deliver high-quality digital experiences, leveraging modern tools and design principles to enhance usability and accessibility.

Ux Engineer

Kathmandu

Techgaun

Feb, 2025 - Mar, 2025

As a UX engineer at a leading IT solutions company, I craft intuitive, user-centered web and mobile interfaces that enhance digital experiences. Collaborating with cross-functional teams, I leverage modern design tools and principles to improve usability, accessibility, and engagement. Passionate about creating seamless interactions, I strive to bridge aesthetics with functionality, ensuring high-quality outcomes that drive user satisfaction.

EDUCATION

BSc(Hons) Computing

Kathmandu

Islington College

Aug, 2022 - Mar, 2025

This is a 3 year IT course that applies the principles of the latest programming languages, introduces you to information systems, computer software and hardware technologies, implementation of databases, and develops your further understanding of application development in the final level.

PROJECTS

Restaurant landing page (web/mobile)

Designed a responsive UI/UX landing page for a restaurant, optimized for both mobile and desktop platforms. The page features a user-friendly interface for viewing trending menus and exploring the gallery, enhancing the overall customer experience.
